Title: "The Lost Key"

Sarah was in a rush. She had an important meeting to attend, and she couldn't afford to be late. As she grabbed her bag and dashed out the door, she realized she couldn't find her car keys. Panic started to rise within her as she frantically searched the living room, the kitchen, and even under the sofa cushions. But the keys were nowhere to be found. Just as she was about to give up hope, she remembered the coat she had worn the previous night. Rushing to the closet, she checked the pocket and let out a sigh of relief as her fingers closed around the familiar shape of her car keys. With a grateful smile, she hurried out the door and made it to her meeting just in time.

Comprehension Questions:

1. What was Sarah's main concern at the beginning of the passage?
 2. Why was Sarah in a rush?
 3. Where did Sarah finally find her car keys?
 4. How did Sarah feel when she found her keys?
 5. What do you think Sarah could do to avoid losing her keys in the future?
31. Explain the role and function of adjectives in English grammar. Discuss different types of adjectives and provide examples of each.

32. Rewrite the following sentences from passive voice into active voice.

1. The letter was sent by Sarah yesterday.
2. The house will be renovated by the end of next month.
3. The project has been completed by the team.
4. The cake had been eaten by the time we arrived.
5. The proposal will have been reviewed by the committee before the meeting.

33. Explain the difference between complex and compound sentences. Provide examples of each type of sentence and discuss how they differ in structure and meaning.

34. Fill in the blanks with appropriate prepositions from the list

The bicycle glided _____ the winding path, weaving _____ the trees and flowers. It eventually came _____ a stop _____ a picturesque meadow. _____ the distance, a river flowed serenely _____ the valley. The rider dismounted and sat _____ the grass, gazing _____ the horizon. _____ a while, they resumed their journey, disappearing _____ the foliage.

(under, into, through, along, to, at, across, beside, beyond, toward, in, over)

35. What is report writing, and what are the different types of reports commonly used in various fields?

36. Read the passage below and identify any mistakes in grammar, punctuation, or spelling and edit accordingly.

The new science textbook are full of interesting information. It's cover a wide range of topics, including biology, chemistry, and physics. One of the most fascinating subject is the study of genetics, which explore how traits are inherited from one generation to the next. Another interesting topics is the periodic table, which list all the elements known to man. Each chapters in the textbook are well-organized and easy to follow, making it a valuable resource for students. However, they're are a few typographical errors that need to be corrected. Overall, I'm impressed with the quality of the textbook and I'm looking forward to using it in my classes.

37. What is summary writing, and what are its key components? Explain.

(5X6=30)

Section D

Answer any two of the following questions in three pages each. Each question carries 10 marks.
